

Accessibility Statement

Valley Transaction Coordinators is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience for everyone and applying the relevant accessibility standards.

1. Measures to Support Accessibility

Valley Transaction Coordinators takes the following measures to ensure accessibility of our website and services:

- Regularly test and review the website for accessibility.
- Provide ongoing training for staff on web accessibility.
- Ensure compatibility with modern screen readers and assistive technologies.

2. Conformance Status

The Web Content Accessibility Guidelines (WCAG) define requirements for designers and developers to improve accessibility for people with disabilities. Valley Transaction Coordinators strives to conform to WCAG 2.1 Level AA standards. We are working to ensure our website meets these guidelines to the fullest extent possible.

3. Feedback

We welcome your feedback on the accessibility of our website. If you encounter any barriers or have suggestions on how we can improve accessibility, please contact us at info@valleytc.com.

4. Compatibility with Browsers and Assistive Technology

Our website is designed to be compatible with the latest versions of major browsers, including Chrome, Firefox, Safari, and Edge. We strive to ensure our website works with screen readers, keyboard navigation, and other assistive technologies.

5. Limitations and Alternatives

Despite our efforts to ensure accessibility, there may be some limitations. If you experience any accessibility issues, please contact us so that we can provide alternatives or make further adjustments to our website.

6. Contact Us

If you have any questions or need assistance with accessibility-related issues, please reach out to us at info@valleytc.com
